End Slavery Prayer Link - 18 April 2013

## The End Slavery Prayer Network

Dear friends

Human trafficking and slavery is alive and well in our modern world, but we know that our God is greater than this endemic issue. We believe that He cares deeply about the trafficked and enslaved, and also that He answers our prayers. It's our desire to raise up a network of pray-ers to continually bring this problem and those who are fighting it before God. Thank you for praying with us!

### Steve & Sarah, Spain

"Spain is both a transit and destination country for thousands of people who are caught up in human trafficking. End Slavery Spain is an embryonic ministry seeking to partner with local churches and NGOs to bring hope and justice to these people. Partnering with us during this research and development stage will lay a firm foundation for the future of this ministry."

Please uphold Steve and Sarah as they persevere in their ministry, that God would meet their spiritual, emotional, physical and ministry needs on a daily basis.

### Nea Zoi - Athens Greece

"Praise God that His Grace has no borders and limits. Last week on an outreach, when a girl asked for a Bible and we had run out, a volunteer got her personal Bible from her bag and gave it to the girl."

"A divine appointment with a Romanian Girl we had previously met provided an opportunity to give her a New Testament. This girl showed Viorica her New Testament and shared what she has been reading."

"God's word is alive and at work (Heb 4:12) and the team would love to be able to give His word to those who are thirsty for it. One thing I know for sure- is we need more than \$250 (The current budget) for Bibles and Christian Literature." Pray that the Lord would raise up the right funds to continue this wonderful ministry.

## ***Trade of Innocents Film, Sydney***

There are more slaves today than in any other time in history. Unite with thousands of Australians nationwide in attending a Trade of Innocents movie event. Be part of the solution.

International Teams has the privilege to host one of these screenings and present about how our End Slavery Team is actively making a difference in Cambodia and other locations.

We have already sold over 160 tickets but, praise God, our cinema has been upgraded to a bigger one, which we pray God will fill. Please join us in praying for hearts to be moved to action, and why not buy tickets yourself. Our screening is on 1st May at 7pm at Top Ryde Cinemas. Tickets are \$15 and can be bought from the Koorong Website at <http://www.koorong.com/search/product/t-top-ryde-event-cinemas-wed-1st-may/0000792373.jhtml>

## **Mathilde Companjen, Holland**

Mathilde is the Global Catalyst for our End Slavery Projects for International Teams. Please join us in thanking the Lord for those, like Mathilde, who continue to give and give. This week Mathilde is in Brussels, working alongside **Breaking the Chains** at their Breaking Free conference.

Praise God for the way the Holy Spirit is moving and pray this conference would have ripple effects for those serving to End Slavery. Pray also for Mathilde's visit to Amsterdam following the conference, that God's love might shine through.

## **THANK YOU**

Thank you so much for joining us in this journey. Your friendship and support are beautiful and tangible reminders of God's unfailing love and faithfulness on which our hope rests. We rejoice knowing that we are building God's Kingdom together with you. We are so blessed by your prayers as we seek to uphold the poor and oppressed. **It really makes a difference in our ministries!**

*"Do not be anxious about anything, but in every situation, by prayer and petition, with thanksgiving, present your requests to God" Philipians 4:6*
